Dear Madam,

I still remember the day you came to Uganda on the 11<sup>th</sup> September 2003. Your visit was a sign of Love to Ugandans, Thanks for this motherly love.

Before you left our Country, You gave us an offer to pay school fees for 10 pupils in our school, from poor (AIDS) families.

So the pupils school requirements list is attached.

You asked:

- Are there any other expense?

Answer: There are some other expenses like House needs, food bedding etc.

- How can we best correspond?

We can correspond through Kitovu Pre - payment scheme
