Dear Sponser.

Greetings from me.

How are you and how is your life over there? How is the family?

I think you are alright.

I thank you for all the great assistance you have given me.

I am very happy and I have come to the end of the year when I am happy. My guardian is also happy and she is sending you her great thanks for the assistance given me.

I have completed P6, I was promoted to P.7 next year 2010.

I've done my exams well but I did English, science, maths and social studies well.

I am going to study very hard so that I will become a teacher.

May God bless you and the good Samaritans who are assisting me.

I wish you happy xmas and a happy new year.

Your loving sposed pupil,

Mpagi Vicent.
