Dear Sponsor,

How are you nowadays? On my side, I am fine. We have ended the 3<sup>rd</sup> term 2013. I was promoted to S.4 where I need to struggle for better results next year. Thank you very much for the good work you are doing for us.

I have started my holidays, so I am going to help my guardian. I am going to start with harvesting beans, maize because we have little sunshine, it is still rainy season. After, I am going to be digging where we are going to plant sweet potatoes and cassava.

The time now is 2.40 p.m. We have just finished lunch, then we are going to fetch water from the bore-hole and my two sisters are going to clean the house and another one is going to wash the plates and pans. Then after coming back from the bore-hole I will be going to look for grass for my hens.

During this holiday, I will be looking for money around the village by digging, fetching water so that I get pocket money and can buy some school requirements.

In the morning, I will be working at home then in the evenings I will go to the village for jobs. I will work there for three days in every week during my free time. Yet I have to read so that I do not forget what I was taught.

As this is Christmas season, I am waiting for some of my relatives from Rwanda who will be coming for Christmas, so we will celebrate the coming of baby Jesus with them.

I would like you to send my greetings to all, mainly your nephews who came to visit us last time. Say thanks to them for me.

I wish you all merry Christmas and happy New Year 2014.

**WITH GOD WE TRUST** Every thing will be possible.

Let me pen off saying bye bye to you all
